## Message of Solidarity from the Ceylon Teachers' Service Union of Sri Lanka (Member of the National Trade Union Center)

To the Nepalese Teachers' Movement  
Colombo, Sri Lanka – 13th April 2025  
Dear Comrades,

On behalf of the Ceylon Teachers' Service Union (CTS.U) of Sri Lanka, we extend our heartfelt solidarity and fraternal greetings to the dedicated teachers of Nepal and to the Confederation of Nepalese Teachers (CNT), whose steadfast commitment to public education and educators' rights stands as a beacon of courage and inspiration across the region.

We salute your ongoing struggle for professional dignity, fair working conditions, and inclusive, equitable education. Your unwavering efforts to resist the privatization of education and to defend democratic values within the education system resonate deeply with our own aspirations for educational justice in Sri Lanka.

Despite the numerous political, economic, and social obstacles, your continued activism and resilience have demonstrated the transformative power of teachers united in purpose. Your example reinforces our shared mission to build a just, people-centred education system that serves the needs of all, especially the most marginalized.

As fellow members of the international education movement, we stand shoulder to shoulder with you in demanding:

The protection of public education from commercialization and exploitation

Adequate state investment in educational infrastructure and teacher training

Secure employment, fair remuneration, and trade union rights for educators

An education system that nurtures peace, critical thinking, and global solidarity

The Nepalese teachers' movement is not alone. Your struggle is our struggle. Together, we will resist regressive reforms and work collectively toward a future where education is a right, not a privilege.

Long live the unity of teachers!

Long live international solidarity!

Victory to the Nepalese Teachers' Movement!

In unity and struggle,
